It is also one of the largest contributing sectors of India's exports worldwide. The report of the Working Group constituted by the Planning Commission on boosting India's manufacturing exports during 12th Five Year Plan (2012-17), envisages India's exports of Textiles and Clothing at USD 64.41 billion by the end of March, 2017. REPORT ON CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility is a form of corporate self- regulation integrated into a business model. CSR is about capacity building for sustainable livelihoods. With the same objectives the Chiripal group gave birth to the Chiripal Charitable Trust. The CSR activities of the group are guided by the vision and philosophy of the chairman, Shri Vedprakash D. Chiripal, who got the inspiration from his parents. He enunciated the value of trusteeship in business and laid strong foundation for its ethical and value based functioning.

As a responsible “Corporate Citizen”, the group is engaged in various social welfare activities. Through its social commitment, it intends to promote initiatives, for the educational and health awareness amongst the weaker sections of the society. Every year on Managing Director’s birthday, the annual blood donation is organized with the support of Prathma blood center, at the corporate office and all over the group units, where thousands of units of blood is collected , through voluntary donation and active participation of our staff members and workers. With addition to this, as a regular practice, the trust and the companies run employee welfare schemes to help the employees and their families.

Every year, as the pilgrims of Dakor temple pass through Dakor, the trust organizes a rest camp for them. Hot water bath, massages and meals are served to over 10-12 lakh pilgrims.

Shanti Educational Initiatives Ltd (SEIL) has been established with an objective of bringing about a change in academic content, curriculum and methodology through extensive research by the country’s best academicians as well as to bridge deficiency gaps. With the conception of SEIL, the group has made the necessary developments in the educational field, starting from pre-school education, going right up to post graduation. In 2009, it launched Shanti Asiatic School followed by Shanti Juniors, a chain of pre-schools. It went on to establish Shanti Business School in the field of management studies and further established Shanti Communication School, in the field of communication, media and business studies. SEIL also established Hopskotch, a premium pre-school in order to bring elite education to India. In 2013, SEIL introduced a multifaceted Undergraduate Program with 70+ specializations and aims at imparting an integrated knowledge of BBA+BCA+BCom domains altogether, which is the first of its kind in India.

Prayaas is a students’ initiative of Shanti Asiatic School where the students are given a chance to relish the joy through sharing with the under privileged, the elderly abandoned at old age homes and with those affected by natural disasters. This student of grade I and II felt blessed as grandparents from Old Age Home, Ambli visited SAS and shared their experience with them. The students of grade VII and VIII were fortunate to get the opportunity of serving the underprivileged children of the society. SAS backed the state government’s strong stance towards Gutkha by banning it across the state. More than 150 students of grade VII and VIII carried out street plays. Students performed these plays at Himalaya Mall and Big Bazaar in Ahmedabad.
